

Tower Hamlet Cemetery – 30 min walk

Escape the urban hustle and bustle by visiting Tower Hamlets Cemetery Park, an oasis of greenery nestled right in the city landscape.

You will find an expansive natural setting, abundant woodlands, and opportunities to bask in historic beauty.

Relax on a shaded bench overlooking the wildflower meadow in full bloom and enjoy the melody of songbirds filling the air. Take a reflective stroll along the winding footpaths, past the weathered gravestones adorned with moss and ivy, and admire this testament to the past.

If you crave activity, you can join a free park tour and hear all about the history of the former cemetery, go for a jog on self-guided trails, or play lawn games with friends in the open fields.

Two conservation areas bookend the park, with protected woods and quiet ponds that serve as sanctuary for local wildlife spotting.

Feed the ducks, songbirds, butterflies, and even woodpeckers that inhabit this diverse urban escape.

With so many ways to enjoy nature, heritage, and recreation just a short ride from the city streets, Tower Hamlets Cemetery Park offers the perfect spot for urbanites to get away and relax.

From secluded garden retreats to woodland landscapes, you're sure to find something tranquil under the shade of towering oaks and shimmering ponds.
